The screenshot displays the Yugglr web interface. At the top, there's a navigation bar with a search bar and a user profile for "Lisa Gustavsson". The main area is divided into several sections:

- Feed:** Shows a timeline of posts. One post by "Gilla" shows a group of people at a dinner table with a lit candle. Another post by "Mikael Eriksson" describes a place they live in.
- Calendar:** A monthly calendar for February 2012, showing various events and tasks scheduled throughout the month.
- Family:** A list of family members (Mikeal Eriksson, Sofia, Signe) with their last active times.
- To do list:** A list of tasks such as "Prepare Home page Design For Mike for Tuesday", "Buy Milk for my kid", and "Talk to Kathy".
- Shopping list:** A list of items for "Mary's Birthday Shop List" due on Sunday, 20, 2014.

The mobile application shows a "Family Feed" screen. It includes a "Filter" dropdown set to "Most Popular", a "What's new?" section, and a list of recent posts from "John Anderson" and "Lisa Gustavsson". The posts include photos and engagement metrics like likes and comments.
